To,

The Deputy Commissioner
Mysore District.

Sir,

I have the honor to state that since 1880 the car belonging to the ancient and historical temple of Sri Varasimswamy at Heddoor, Heggadadevana Kote Taluk, is out of use being greatly out of order.

2. An estimate amounting to Rs 994/- for constructing a new car is herewith submitted for the sanction of Government.

3. Out of this estimate, the cost of wood viz Rs 346/- is to be deducted and it is prayed that it may be allowed to be taken free from Government Forest, as was allowed in the case of Cheeniakesavadévara temple at Kutada Kosahalli in the Goribidnur Taluk - Vide Proceedings No: 1701-2/132 dated 23d September 1890.

4. To meet the account of the balance of Rs 648, it is proposed that Rs 610-2-3 which are now at the credit of the temple under

under "Rosahead", and Rs 37-13-9 out of surplus funds of Rs 65-8-5, may be allowed to be drawn, as per endorsement No. 3846 dated 19th March 1887 granted to Lakshmi Narasimhachar, manager of the temples, by the Chief Secretary.

5. Care will also be taken to utilize such of the materials of the old car as are serviceable and the rest sold by auction and these proceeds also appropriated for the new car.

6. I therefore beg that you will be good enough to obtain the early sanction of Government for it.

7. The Vernacular file of correspondence together with the Treasury Officer's certificate dated 6th August 1891 is herewith submitted, and the same may be returned when no longer required.

Sir,

In returning the Papers recei
with your docket No 10575/334 dated 30th
Ultimo, relative to the free grant of
wood valued at Rs 346/- for the con-
struction of a new Car for Sri -
Narasimhaswamy devaru at
Maddur in the Mandya Taluk, I
have the honor to state that it is appa
rent from the correspondence on
the subject that the old car in
question is one of architectural
interest, but that it is out of order
since 1880, and in consequence the
annual

annual car procession has
ceased to be conducted. In my
opinion it is desirable that the
car should be restored and there
are also cases in which Govern-
-ment have sanctioned free wood
on such purposes. Mr Madhava Rao
while in charge of the French Rocks
Sub Division satisfied himself
-by personal inspection of the car
that it should be replaced by a
new one and that the same should
not cost more than 1000/ Rupees.
c/o the surplus funds at the credit
of the temple will barely cover the
cost of construction of such a car, as
per Estimate, the free grant of
wood applied for may be sanc =
= tioned by Government on the
express condition of utilizing the
Government

Government contribution of timber only to the extent actually required after using the efficient materials of the old Car.

I have the honor to be,
